

Adobe Creative Cloud

As a Seneca College student, you have access to Adobe Creative Cloud free of charge. This includes software such as Photoshop, Illustrator, Dreamweaver, and many others. To access the applications on Adobe Creative Cloud, follow the steps below.

1. Open the link <https://creativecloud.adobe.com/apps>:

2. You will be asked to log in. Enter your My.Seneca email address. Click in the Password cell. Without having to input your My.Seneca password, you will be automatically taken to the My.Seneca login page. Enter your My.Seneca password there.

- You will be redirected to the Creative Cloud apps and services page. You will see a list of desktop apps available for downloading, including Photoshop. You can download the individual apps by clicking on the “Download” button and following the steps provided.

The screenshot shows the Adobe Creative Cloud desktop app interface. At the top, there's a navigation bar with links: Home, Apps, Learn, and Your Work. A search bar is also present. Below the navigation bar, a welcome message for 'Roberta' is displayed, along with a prompt to 'Start creating today or try a new app.' To the right of the welcome message is a decorative graphic featuring a rocket, a building, and various app icons. Below the welcome message, there's a section titled 'Your Apps (42)' with sub-categories: All Apps, Design, Photography, Video & Audio, and UX & Web. A 'Compare Apps' link is also visible. In the center, there's a prominent banner for 'Get the Creative Cloud desktop app' with a 'Download' button. Below this banner, the 'Desktop apps' section is shown, listing several apps with their respective icons and descriptions. Each app has a 'Download' button next to it. The first app, Photoshop CC, is highlighted with a red rectangular border. The other apps listed are Illustrator CC, InDesign CC, XD CC, and Lightroom CC.
